

## ATTACHMENT B

### BUSINESS AND ACTIVITY RESTRICTIONS

---

#### **COMPLIANCE WITH THE STATE FACE COVERING ORDER IS REQUIRED FOR ALL ACTIVITIES COVERED IN THIS ATTACHMENT**

---

#### **I. RESTRICTED BUSINESSES AND ACTIVITIES.**

Pursuant to Section 10 of the Fifth Amended and Restated Order of the Yolo County Public Health Officer Regarding COVID-19 Protections (“Local Order”), as may be amended from time to time, certain business sectors and activities are restricted or prohibited as described in the following sections of this Attachment. For activities listed below that are not required to close entirely, all operations must be conducted in full compliance with the Local Order, including this Attachment, and restrictions implemented by order of the State Public Health Officer. In the event of any inconsistency between this Attachment and orders of the State Public Health Officer, the more restrictive provision shall apply.

#### **II. BLUEPRINT FOR A SAFER ECONOMY AND RELATED STATE AND LOCAL ACTIONS.**

On August 28, 2020, the State released its “Blueprint for a Safer Economy” and announced many changes to statewide restrictions on businesses and activities. All counties were also assigned to one of four tiers based on COVID-19 data and related metrics. Yolo County is currently in Tier 3 (Orange) of the State’s Blueprint. Restrictions applicable to various business and activity types pursuant to Tier 3 of the Blueprint are set forth below, along with updated information reflecting State changes to certain restrictions effective on April 15, 2021. All such restrictions now apply within Yolo County and shall hereafter remain in effect, together with the other local restrictions set forth below, until otherwise ordered. We encourage you to check the State Blueprint website at [www.covid19.ca.gov](http://www.covid19.ca.gov) for the latest information, a description of modifications referenced in the following table, and for information on sectors and activities not included in this table. Please note that sectors allowed to remain open for limited or all purposes must also follow State guidance posted at [www.covid19.ca.gov](http://www.covid19.ca.gov).

**All current restrictions are set forth in the following table. Most restrictions are imposed by the State. Local restrictions are indicated in red font. All of the following restrictions are presently in effect:**

Sector/Activity	Status
<p><b>General</b></p>	<p>Stay home as much as possible. Activities that bring individuals into contact with people who are not household members pose a risk of virus transmission, even if masks are worn.</p> <p>Individuals are strongly encouraged to obtain vaccination against the virus that causes COVID-19 at the earliest opportunity. Unvaccinated individuals should regularly obtain testing (available at no charge at many locations) and minimize or avoid indoor gatherings and other activities that pose a higher risk of infection with COVID-19, such as activities that bring together people from different households in close proximity to one another. Modified or newly added activities that may present higher risk levels are indicated with a * in the left column in this table. Activities indicated with a * are strongly encouraged to limit participants to those who are fully vaccinated or have tested negative for the virus that causes COVID-19 in order to reduce risk to participants.</p> <p>As used herein, per State guidance, the term “fully vaccinated” for COVID-19 means at least two weeks have passed since an individual received the second dose in a two-dose series (Pfizer-BioNTech or Moderna), or at least two weeks have passed since they received a single-dose vaccine (Johnson and Johnson [J&amp;J]/Janssen). State guidance permits fully vaccinated-only sections of venues to operate at full capacity within that section, without physical distancing but with face coverings. Refer to State guidance at <a href="https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Docu%20Library/COVID-19/Dimmer-Framework-September_2020.pdf">https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Docu%20Library/COVID-19/Dimmer-Framework-September_2020.pdf</a> for details.</p> <p>Also per State guidance, testing may be used to reduce or eliminate certain restrictions as noted in the following sections of this table. To be effective for such purposes, however, “[t]esting must be conducted within 72 hours before event start time, if using PCR. Antigen tests are acceptable and must be conducted within 24 hours of start of the event.”</p>
<p><b>Critical Infrastructure</b></p>	<p>Open with modifications. Refer to <a href="https://covid19.ca.gov/essential-workforce/">https://covid19.ca.gov/essential-workforce/</a> for a full list of critical infrastructure workers.</p>

Sector/Activity	Status
<p><b>*Gatherings</b></p>	<p>Gatherings are allowed subject to modifications set forth in State guidance (see link at bottom). Restrictions include:</p> <p><b>Outdoor</b></p> <ul style="list-style-type: none"> <li>• No more than 50 people.</li> </ul> <p><b>Indoor</b></p> <ul style="list-style-type: none"> <li>• Indoor gatherings are strongly discouraged but are allowed with modifications: <ul style="list-style-type: none"> <li>○ No food or drink except when following standards in state guidance</li> <li>○ Maximum 25% capacity (in settings where capacity limits exist) or 25 people, whichever is fewer</li> </ul> </li> </ul> <p>State guidance is available at:  <a href="https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Guidance-for-the-Prevention-of-COVID-19-Transmission-for-Gatherings-November-2020.aspx">https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Guidance-for-the-Prevention-of-COVID-19-Transmission-for-Gatherings-November-2020.aspx</a></p>
<p><b>*Private Events (New)</b></p> <p>Includes meetings, receptions, conferences, and substantially similar events</p> <p>Required mitigation measures;</p> <ul style="list-style-type: none"> <li>• Purchased tickets or a defined guest list</li> <li>• Seating chart (or other assigned seating)</li> <li>• No intermingling of multiple private events</li> </ul>	<p>Allowed subject to modifications:</p> <p><b>Outdoor</b></p> <ul style="list-style-type: none"> <li>• Maximum of 100 people</li> <li>• If all guests are tested or show proof of full vaccination, maximum of 300 people</li> </ul> <p><b>Indoor</b></p> <ul style="list-style-type: none"> <li>• If all guests are tested or show proof of full vaccination, maximum of 150 people</li> </ul> <p>State guidance is available at  <a href="https://files.covid19.ca.gov/pdf/guidance-private-events--en.pdf">https://files.covid19.ca.gov/pdf/guidance-private-events--en.pdf</a></p>

Sector/Activity	Status
